January

NCA Mrs. Watkins / January 20-24, 2025

Math & Science

Bible: - We return to the Winning Your Race lesson 11 and will review Proverbs 3:1-4. Our lesson is 'To Help or Rebel'. We will study David and Absalom.

Science: As students continue to understand our unit on Energy in Motion, they are reading about potential and kinetic energy, contraction & expansion, and forms of energy.

Math -Course 1: Daily lessons are back, along with nightly homework assignments. Students are studying common denominators in fractions and it has been a challenge for everyone. They are learning the differences between addition, subtraction, and multiplication of fractions.

We will be decreasing the in-class time dedicated to starting homework to 15 mins. & students will need to take their math book home each night to complete homework. This helps prepare students for Jr. High Math classes and increases our science lesson time.

End of Semester - Fri. Jan. 24th
Any missing (M) assignments need to be turned in for partial credit, no later than Monday, Jan. 27th. An 'M' in the gradebook will become a zero at that time.

*WATKINS HOMEROOM:
PE is Tuesday & Thursday

Contact Info:
Mrs. Watkins: pwatkins@ncslacey.org
Mrs. Villena: cvillena@ncslacey.org

6th Gr. News

Friday Folders:
Please remember to read all info & return the BLUE Friday Folders by Monday.

Absent or Traveling:
If your student is absent or out due to travel, they need to make-up all missed work. Math assignments are in Google Classroom. Please see Mrs. Watkins for Science notebook cut-outs & notes, when you return.
