September

Mrs. Watkins-6th Grade/Oct. 14-18, 2024

Math & Science

Bible: - Our class will do Ch.5 of Winning the Race curriculum, on Unit II - Inner Strength.

Science: Our final week on The Heavens, Ch.11 Our Solar System. We will finish the layers of the Sun, phases of the Moon, and look at a myriad of spacecraft designs as man explores God's creation in the heavens.

Math -Course 1: Students will focus on prime factorization & greatest common multiple GCM. These math skills will help students find the lowest common denominator LCD when we look at working with fractions with different denominators.

Test Review Day - Tues. Oct. 15th
MATH TEST #2 - Wednesday, Oct. 16th!

**WATKINS HOMEROOM:
PE is Tues./Thurs. week of 10/14 (NO Fri.).
