
NOVEMBER NEWS

11/9-11/13

FROM THE TEACHER

November is flying by! It has been cold outside! Just a reminder to send your child in proper clothing. The morning recess is really cold and everyone needs to bring/wear a coat. Please practice zipping and buttoning at home. Please make sure your child has 2 snacks (morning snack...something with protein is always good), and brings their water bottle daily. **The week we come back from Thanksgiving, we will begin sight words. There will be a weekly test on them. They will need to be able to verbally identify the word and be able write it as well. Tests will be on Fridays along with their Bible verse. More information will be coming:)**
