# How can I credit earning to my child's class?

When you are scanning your receipt in the Box Tops app or forwarding a digital receipt, you can use the “Give Credit” button to allocate your earnings.

## Here's how to use the “Give Credit” feature when...

▶ scanning a physical receipt in the app:

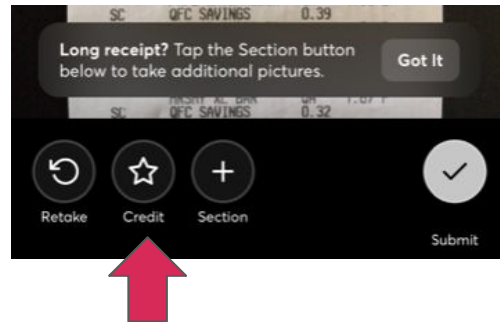

1. Snap the first picture of your receipt
2. After the first picture, you'll see a button with a star icon on the bottom of the screen
3. Tap the star, enter your information (free-form text field), and tap “Done”
4. Continue with snapping or submit your receipt

▶ forwarding a digital receipt:

1. Forward your digital receipt to [receipts@boxtops4education.com](mailto:receipts@boxtops4education.com)
2. Once sent, look under the "My Earnings" section in the app.
3. Click on the receipt you'd like to give credit on.
4. Within the receipt detail screen you may need to scroll to see a button for "Give Credit" or a field called "Credit" with the last memo you entered. Existing memos can be updated.

Note: The app will remember what you last typed in the “Give Credit” field and will pre-populate the information on future scans. To change it, just tap the star icon and enter new text in the field and tap Done.
