### Cell Phone and User Agreement

Students will be allowed to use their cell phones during lunch and between classes. Phones must be silent and out of sight during instructional time (unless requested by the teacher).

Students are permitted to use their cell phones in an appropriate manner during lunch and between classes. Cell phones will be required to be silenced and placed in an area designated by the teacher at the beginning of each class.

#### **Purpose:**

Northwest Christian High School utilizes instructional technology as a means of moving toward our mission of teaching the skills, knowledge, and behaviors

necessary for students to become responsible citizens in the global community. Students learn collaboration, communication, creativity and critical thinking in a variety of ways throughout the school day. To be proactive in the effort toward understanding and keeping with today's growing social and interactive technology trends, it is our hope that these expectations will increase awareness and training while putting into practice social and professional etiquette relating to electronic devices.

### Cyber Safety

We will review cyber-safety rules with students frequently throughout the course of the school year and will offer reminders and reinforcement about safe cell phone behaviors. In addition to the rules outlined, students will be expected to comply with all class and school rules while using personal devices. The use of a cell phone is not a right, but a privilege.

### Guidelines

Violating the established expectations will result in the following:

- Students who are in possession of cell phones must adhere to the Student/Parent Handbook, NCS Student Technology Policies, and all Board Policies.
- Students may not use their cell phone during instructional time. This includes office runners and/or students who are in the hallways or in the restrooms during instructional time. Instructional time is defined as the time from the tardy bell to the dismissal bell.
- Students who need to leave early for appointments or illness must check out through the office. *Students cannot just call/text home and then leave school property.*

- Refer to student code of conduct for disciplinary actions taken towards electronics non-compliance.
- Students may not have cell phones or any other devices in the bathrooms.

### **Guideline Infractions**

The following are considered more serious offenses/infractions and will be referred directly to the administration to be reviewed:

- Students may not use cell phones to “bully” or post derogatory statements about students, faculty, or staff via text message or social media.
- Cell phones may not be used to assist any student on assignments, quizzes, or tests without teacher approval.

### **Students and Parent/Guardians Acknowledge That:**

- The school’s network filters will NOT be applied to a device’s connection to the internet. Therefore, any student who accesses websites that are prohibited by the NCS Student Technology Policies or Student/Parent Handbook will be subject to discipline.
- Cell phones should be charged prior to school and run on battery power (or mobile battery pack) while at school.

### **Students Are Prohibited From:**

- Bringing a cell phone on premises that infects the network with anything designed to damage, alter, destroy, or provide access to unauthorized data or information.
- Processing or accessing information on school property related to “hacking,” altering, or bypassing network security policies.

### **Lost, Stolen, Or Damaged Devices**

Each user is responsible for his/her own cell phone and should use it responsibly and appropriately. Northwest Christian High School takes no responsibility for stolen, lost, or damaged cell phones, including lost or corrupted data on those devices. While school employees will help students identify how to keep personal devices secure, students will have the final responsibility for securing their cell phones.

### **Usage Charges**

NCHS is not responsible for any possible device charges (i.e. apps a student downloads during class) to your account that might be incurred during approved school-related use.

### **Network Considerations**

Users should strive to maintain appropriate bandwidth for school-related work and communications. NCHS does not guarantee connectivity or the quality of the connection with personal devices. NCHS is not responsible for maintaining or troubleshooting students’ personal electronic devices.

***During the course of the school year, additional rules regarding the use of personal devices may be added or modified.***

### **Electronic Media**

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), electronic forums (chat rooms), video-sharing websites (e.g. YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter,

LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

At Northwest Christian Schools of Lacey (NCS), teachers, students, staff, and other school community members use electronic media as a way to connect with others, share resources, create educational content, enhance the classroom experience, and network within and outside of the school community.

Below are guidelines for members of the school community (students, parents, faculty, administrators, and staff) who represent NCS in social media spaces and interact with one another.

**Use good judgment** - Regardless of your privacy settings, assume that all of the information you have shared on your social network is public information.

**Be respectful** - Always treat others in a respectful, positive, and considerate manner and do not disparage the school or school community members through social media

**Be confidential** - Do not publish, post, or release information that is considered confidential or private. Online “conversations” are never private. Do not use social media to address any concerns or frustrations.

**Respect private and personal information** - Never share or transmit personal information of students, parents, faculty, staff, or colleagues online.

**Post images with care** - Respect brand, trademark, copyright information and/or images of the school and do not post photos of students who are on the “Do Not Photo” list
