

Mrs. G.'S Second Grade Pack News & Notes

May 13, 2022

Bible Verse

(to be said to Mrs. Gordonier
on Friday, May 13)

Joshua 1:9

"Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go."

Mrs. Goodwin and I would like to thank all of you so much for the gifts you gave to us last week for Teacher Appreciation Week. We feel so blessed to have the privilege of teaching and working with your children!

This week was all about dinosaurs in reading! We worked long and hard on learning spelling and phonics rules this week also with our phonograms and spelling words! During math we are working on regrouping to the hundreds place. Please continue to review your child's math pages with your child when they come home. Next week we will be taking the test on this chapter. During social studies we have continued to learn about different land and water landforms. Conjunctions were the topic during grammar this week as we learned to join sentences together using and, but, or, before, or so.

Please watch the calendar carefully as the end of the school year draws near. There are numerous things happening in class and school wide.

Please make sure to mark your child's car seat/booster seat with their name and send those in next Friday for our field trip.

If you would like to apply for a library card for your child please make sure to send the application in on Monday.

Spelling word lists went home with your child last week to practice for our upcoming spelling bee! Our in class spelling bee will be held this coming **Wednesday, May 18**. Every child will be participating in the in class spelling bee and the top 3 finalists along with an alternate will be chosen to move on to the finals on May 26.

Ninja Facts for next week are addition facts!
