PRAYER ON 24th

As Christians, we strongly believe that prayer makes a difference. Prayers for our students, school families, teachers, staff, administrators, volunteers, alumni, and campus are heard by our all-powerful and loving God. During a time when our state, nation, and world also need our prayers, we can approach God with our worries and know that He cares. On May 24th, our campus will intentionally spend time talking with God. This will look different across the grade levels and at varying times throughout the day, but we invite you to take time on that day as well to join us in prayer. Thank you for supporting our campus in this way.

NCS FACILITIES NEED TOOLS

If you have old tools you no longer need, please contact our facilities manager at amckinney@ncslacey.org. Items such as yard tools, woodworking tools, mechanical tools, etc.
