NCS FAMILY SKATE NIGHT

Join us on **Monday, May 16 from 6-8pm** for an all campus Family Skate Night. All NCS families are invited. We have Skateland reserved for NCS and will have our own music playlist included. Entry fee is \$10 per person, regardless if skating. We hope to see you there!

PRAYER ON 24th

As Christians, we strongly believe that prayer makes a difference. Prayers for our students, school families, teachers, staff, administrators, volunteers, alumni, and campus are heard by our all-powerful and loving God. During a time when our state, nation, and world also need our prayers, we can approach God with our worries and know that He cares. On May 24th, our campus will intentionally spend time talking with God. This will look different across the grade levels and at varying times throughout the day, but we invite you to take time on that day as well to join us in prayer. Thank you for supporting our campus in this way.

PARENT SURVEY

Each year, we send out a *Parent Survey* to ask for feedback. Your feedback is important and valuable to us. Our team (including administration, teachers, and staff) will take time to review, reflect, and adjust as needed to keep improving and striving towards excellence. We ask that each family have at least one person complete the survey by **Wednesday, May 18th**. If you have children attending more than one school on campus, please complete the survey for each school that you have a child attending. If you have more than one child attending the same school, and feedback varies by child, you may consider completing a new survey for each child (optional). We truly want your feedback – both the positive and the constructive. Thank you ahead of time for your participation in this survey. Time needed to complete: The survey consists 30 questions and will take you approximately 5 minutes to complete. <https://forms.gle/nwY5S3VethURuP8r7>
