

Dear Kindergarten Parents,

The can should be 5-6 inch diameter by 5-6 inch high and may be decorated any way you and your child would like. This will be used to store your child's supplies. Please make sure the can is wide enough to comfortably hold 2 pencils, 1 glue sticks, scissors and markers.

Markers, crayons, and glue sticks will need to be replaced several times throughout the school year. The "Back to School" prices are good, so please sock up and keep a supply at home. Then when your child needs replacements for any of these items, you will have them.
