NORTHWEST CHRISTIAN SCHOOLS OF LACEY

The International Program continues to look for Christian families to host an international student in their home for the 2024-25 school year.

"We have enjoyed hosting different international students to learn about each country's cultures. We have also enjoyed watching their English improve as we have conversations over dinner. I could never imagine sending my young child across the globe for sometimes 4 to 6 years. But each of our students has been such a blessing. One of the sweetest things has been having them get so comfortable with the family they'll call you "mom and dad;" it's then that you know they're part of your family like any of your other children."
-Robert & Becki K.
