Hello 3rd grade families,

May already? I can't believe it!

We are working hard in Science and Social Studies on a combined project involving both classes. The students are working hard on research and creating dioramas and trifold. We are in need of donations to help complete their projects. An email will be sent today with details, if you are able to donate it would be greatly appreciated!

Muffins for mom is on May 10th, this event occurs before school in our cafeteria! We'd love to have you join us for muffins and refreshments so that we can celebrate you!

There will be no more homework sent home for the remainder of the year. Students still have spelling test and Bible verses and will be expected to study those!

Lastly, May 9th is the last day to order yearbooks to ensure they arrive before the end of the school year! We've gotten to sneak a peek and they look great, you won't want to miss out!

If you have any questions please feel free to email me at dwilliams@ncslacey.org.
