Writing & Grammar

Writing- Students will finish writing their first narrative essay. They were required to write 5 paragraphs centered around something they have learned in their life. Once our finals are turned in we will finish out the week with **Descriptive writing**. This is a fun way to get in some seasonal writing and learn how to write "snapshots."

Grammar - Verb Moods they are either indicative, imperative, interrogative, conditional, or subjunctive.

Vocabulary

We accomplished our first week of vocabulary and the kiddos did great! Our Vocab schedule is as follows:

M- What's the Word

T- Personal Dictionary

W- Weekly Practice

Th- Vocabulary Game

Friday - Test!

This week we are working on pos & pon. Means (put & place).

Reading:

Reading - We are continuing in our novel, "A Long Walk to Water." We are really enjoying this book and it brings about some great deep discussions about war, choices, and the affects of these things. It has been great to see kiddos thinking through things, sharing their opinions and being able to agree and disagree in a constructive way!

SMALL GROUPS: Take home and work on each week:

Tues- Humphries - Chapters 8-10, Eragon & King Arthur Tales (**First 2 chapters**)

Thursday - Count of Monte Cristo (chapters 13-15) & Treasure Island (chapters 10-12)

We started IXL and yes it was a challenge. We will continue to utilize this platform as it is another great avenue to learn our skills in a different way!

ANCIENT EGYPT

History:

We are into our 3rd week of Ancient Egypt and we are going to work on our STEM project of building a pyramid! I am also sending home a fun STEM project of mummification where students get to mummify an apple! Enjoy!
