November

Mrs. Watkins 6th Grade/Nov.25-Nov.29, 2024

Math & Science

Bible: - We will focus on verses of gratitude this week.

Science: Students will continue to study molecules & compounds. And continue to build a 3-dimensional model of an element as we study the periodic table.

Math -Course 1: Students are working to find a percent of a number. Students will continue to evaluate the new concept of 'squares' and 'square roots'.
Students had a great time exploring how to measure & draw angles with a protractor in Investigation 3. They also worked on creating a 'Geometry Star' and are learning to plot four quadrant coordinate grid shapes for the Thanksgiving & Christmas.

*WATKINS HOMEROOM:
PE is Tuesday
