

# December

NCA Mrs. Watkins / December 9-13, 2024

## Math & Science

## 6th Gr. News

**Bible:** - This week, we continue to look at Advent and the Christmas story to prepare our hearts for the celebration of Christ's birth.

**Science:** Last week, students built a model of an element from the Periodic Table. This week, students are studying compounds and atomic bonding. We will do an activity to measure hot or cold temperatures as signs of chemical reactions. We will also do a really fun activity with Oobleck.

**\*QUIZ - Monday, Dec.16th**

**Math -Course 1:** Last week, we had fun measuring circles and using Pi ( $\pi$ ) to find the circumference of a circle. This week, we will complete lessons 48-50. Then Thursday will be a review day for our test on Friday (Les. 40-50) In addition, teams will work on a few fun Christmas math projects & games.

**\*MATH TEST - Friday, Dec. 13th Lessons 41-50 (review day on Thursday in class)**

**\*WATKINS HOMEROOM: PE is Tuesday & Thursday & Friday**

*Quick note: Homework has been reduced in December, so students could finish it in class. After our return from Christmas break, math homework will be taken home each day to help build strong study skills in preparation for junior high expectations.*

### Friday Folders:

Please remember to return the BLUE Friday Folders by Monday.

### Absent or Traveling:

If your student is absent or out due to travel, they need to make-up any missed work. Math assignments are in Google Classroom. Please see Mrs. Watkins for Science notebook cut-outs & notes, when you return.

### Grades and Assignments:

Student grades are posted in FACTS and Google Classroom.
