

AN INTRODUCTION TO APPLYING A SELF-REGULATION APPROACH

Bridget
Greiff

NCS PARENT INFORMATION NIGHT

Bridget Greiff, OTR/L is a local Occupational Therapist who has a passion for helping teachers and families apply a self-regulation approach with children. Bridget will share about self-regulation, the impact it can have on a child, and discuss with attendees examples of its application in common parenting situations. This approach is ideal with preschool through early elementary students but can be applied at any age. All NCS parents are invited!

Wednesday, February 12
6 PM in the NCS Chapel
