## ***Week of Feb 18th - 21st, 2025***

Dear Families,

We had a great STEM lego field trip today! I hope you all have a great four day weekend.

We have begun watching 101 Dalmatians (1961) during our Monday lunch. Please let me know if you do **not** want your child watching.

We are making a 4th grade basket to auction off at our Annual Auction in March. We are looking for yellow items to make a "Basket of Sunshine." If you feel inspired to donate, please keep an eye out for an email listing some things we need. Thank you for your generosity!

I have some optional resources on **Google Classroom:**
