

6th Grade- Mrs. Watkins/ February 10-14, 2025

Math & Science

6th Gr. News

Bible: - We will finish Lesson 11 this week. Our lesson is 'To Help or Rebel'. We will study David & Absalom and Saul & Jonathan. The verse is Proverbs 15:1 "A soft answer turns away wrath, but a harsh word stirs up anger."

Science: We will wrap up the study of Sound Energy, and take a look at analog vs. digital. Then begin studying Electrical Energy.

Math -Course 1 & Course 2: Students will begin working on lessons based on math groups. Groups will work on operations with mixed numbers & improper fractions, and prime factorization. Students are also working with geometric principles of polygons, angles, and planes.

Students will need to take their math book home each night to complete homework if not completed during the 15 mins. in class.
