Math & Science

6th Gr. News

Bible: - We will focus on Ch. 12 A Heart for God. The verse is James 1:2-3 "Consider it pure joy my brothers and sisters, when you face trials of many kinds, because you know that the testing of your faith produces perseverance."

Science: We are continuing to study Sound Energy, waves of energy, and take a look at analog vs. digital.

Math Course 1: Students are working on factorization, reducing fractions before multiplying, parallelograms, and complementary & supplementary angles.

Math Course 2: Students are working on algebraic properties, exponents & square root, prime & composite numbers, and parallelograms.

WEEKLY HOMEWORK PACK:

Students will now have a weekly packet/project each week in Semester 2 for homework. The projects will be math or science that is beyond what we are covering in class. Packets can be done in class if we have time, otherwise they will need to be completed at home. (An example was the graphing activity this week.)
