Writing

Writing- We are going to continue to gather evidence for our body paragraphs and then begin structuring our **Thesis**.

*****If students fall behind in class they will be asked to work on their essay rough draft at home. *****

ELA DAILY :POV, multiple meaning words, synonyms, antonyms, text structure, appositives, commas, and figurative language.

History

Ancient Greek Vases STEM

Each week we are tackling new greek mythological creatures or gods/goddess. This week we are focusing on a fun STEM project. Students will be making paper mache vases that once dry we will begin to paint in the ancient greek style! This is going to be a fun project! Wish us luck!

What's New!

UPCOMING EVENTS....

March 24th - In school field trip: An Author is coming in to run a writer's workshop fixated on poetry!

April - (A fun field trip into Seattle that will center around science and sound.. more details coming soon.)

Based on the survey our End of Year Greek Project will be.... Wednesday, May 21st. I know that wasn't conducive for everyone's schedule but it was the best date for the majority. Hopefully this will be in enough time that everyone will be able to attend.

(Chapel, 3:30-4:30/5p.m.) so mark your calendars.

FINAL FIELD TRIP FOR 6TH GRADE THE APE CAVES!

This is a super FUN field trip but it will be all day. 8:00a.m. - 4:30p.m. arrival back at school. More information will come out soon. I am not able to secure a time slot or day until April 1st. BUT I am shooting for **FRIDAY, MAY 30th so mark your calendars! We would LOVE parent volunteers for this field trip!**

PARENT TEACHER CONFERENCES: Information on this will be coming out soon. Mrs. Watkins and myself will be meeting together with everyone who can attend. It will be so much easier to see you in one shot rather than you booking 2 separate conferences. We are asking that no children be present but if they need to come with you they can work on something in the classroom we are not using. =)

April 15th -17th
