

6th Grade Mrs. Watkins / Mar 17-21, 2025

# Math & Science

Bible: - We will finish 'Sandpaper People' - "But I say unto you which hear, Love your enemies, do good to those who hate you, Bless them that curse you, and pray for them which despitefully use you." Luke 6:27-28

Science: In Ch. 9, students will do experiments about Newton's 1st & 2nd Laws of Motion, as we continue to study forces & motion.

**\*The next step for the Science Fair Project is to write out the hypothesis & materials list. It is due on Friday, March 21st!** Students need to have started their projects this week to stay on pace!

Math Course 1: Students are working on converting measurements, solving ratio word problems, and finding the area of a circle (great follow up to Pi Day).

Math Course 2: Students are working on ratios & sample spaces, and angle measures of a triangle, and beginning to use the Distributive Property.

## Upcoming reviews & tests!

There will be a Science test on Thurs. 3/20 & a Math test on Fri. 3/21. Students will do a review in class for each test & Science tests are open notebook.

**\*WATKINS HOMEROOM:**  
PE is Tuesday & Thursday

# 6th News

## Friday Folders:

Please remember to read all info & return the BLUE Friday Folders by Monday.

## MATH HOMEWORK PROJECT:

This week's math project is minimal, photographing geometric shapes, so students can still focus their work effort on their Science Fair Projects at home each night.

**\*Reminder: FINAL Science Fair project & display board are due Monday 4/14!**

## Dates to Remember

- 3/21: Wacky Spirit Day!!!
- 3/21: **Half Day Release** —PD
