

6th Grade Mrs. Watkins / April 14-18, 2025

<u>Bible:</u> - We will look at different aspects of Holy Week through scripture, songs, and devotionals. We still have Chapel on Wednesday this week.

<u>Science</u>: In class work will be reduced due to the minimum days, students will wrap up looking at simple machines Ch.9. We will also do a couple of fun STEM projects in class.

*Science Fair Projects: Due TODAY: Mon. 4/14 Families - come see all of the 5th & 6th grade projects on display Tues. 4/15 to Thurs. 4/17 in the NCA Cafeteria as part of the Celebration of Learning. Great work students!!

<u>Math Course 1:</u> Math work & homework will be minimal during Conference Week. Students will work on the Investigation lessons in our math books.

<u>Math Course 2</u>: Math work & homework will be minimal during Conference Week. Students will work on the Investigation lessons in our math books.

* Math homework is reduced this week!

*WATKINS HOMEROOM: PE is Tuesday & Thursday

6th Gr. News

IOWA State Testing: April 21st-April 25th:

Please try to avoid doctor or dental appointments, or trips during the week of testing if at all possible.

TRACK & FIELD SEASON:

I am super excited for all of our 6th grade track & field athletes this year! Once track meets begin, students may leave class early on meet days to travel to an event; however, they will still need to manage their time for homework. Go Team Wolverines!!!

Dates to Remember
