## Highlights

### ADVENTURES IN READING: 106 HOURS ... AND COUNTING

Our party will be on Monday! Get those reading hours in.

### MATH

So proud of our class! Our overall math score came in at a 520, meaning that as a class, your students are comprehending early 5<sup>th</sup> grade material.

### MISSIONARY BOOK REPORT

We had a truly amazing and inspirational time learning about missionaries. The week was culminated by having a missionary couple from Indonesia and Belgium talk to us about their calling and experience. Mr. and Mrs. Wood were a true blessing.

## End of Year Celebration

Our 4<sup>th</sup> grade class picnic was a blast! Thank you to everyone for contributing!

## Memory Verse

While there is no memory verse, we did discuss James 1:27 as it related to our Missionary Book Report.

Pure religion and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.
