

6th Grade - Mrs. Watkins / May 19-23, 2025

Math & Science

Bible: Next week we will be using a myriad of devotionals & songs as we wrap up this year's theme of Winning The Race & our Chapel theme of God's Promises.

Science: We started our final project, called **"TEACH the Class"**. Each student has a scientific topic & is doing research, developing a lesson plan, planning a demo/activity, and give a quiz at the end (& grade it too). It is **due no later than Fri. May 23rd** and a schedule of teaching times for each student to teach their lesson to the homeroom class will be posted mid-week. *All of the materials for the project are in Google Classroom.*

Math: In Math, we are wrapping up final daily lessons, and shifting more to review work and additional fun math activities. **Due Thursday 5/22 is "Figure Me Out"!!**

There will be an end-of-year cumulative MATH TEST on **Monday, May 19th**. This test & the IOWA results will be given to Mrs. Anderson for math placements in JH.

***WATKINS HOMEROOM PE:**

This week - Tuesday & Thursday.

Our PE time on Thursdays has been moved to 1:30-1:55 and then straight to recess, so please remind students to have a WATER BOTTLE!
