## A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

We've made it to the end of our first week together! It has been so exciting getting to know one another and beginning our 6th grade journey. We are settling into routines, learning expectations, and slowly getting better each day at showing the expected level of responsibility that comes with being a 6th grader. As we continue to grow, we are setting a class goal of improving in areas like following directions, showing maturity, and treating classmates with respect—important steps toward a successful year. In addition to academics, we are learning how to honor God in both our words and actions as we walk through this year together: "Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you." — Ephesians 4:32 (ESV). I am already so proud of the effort students are putting in and the kindness and resilience they are showing.

As always, please feel free to contact me with any questions you may have. I am so excited for our school year together, and I hope you all have a blessed week! 😊

💖 — Ms. Herron (Gaby)
