## A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

We've wrapped up our second week, and students are already diving into our curriculum with energy and determination. They've been working hard to get into the rhythm of school again & balancing new routines with the higher expectations that come with being a 6th grader.

This week, we've especially focused on practicing active listening and building our ability to stay focused during lessons and discussions. These skills are so important not only for learning, but also for showing respect to classmates and teachers. While we're still a work in progress, I am encouraged by the growth I'm already seeing each day.

Thank you for your continued prayers and support as we continue to settle into this exciting journey of a new school year. I am proud of the effort, responsibility, and kindness many of the students are showing as we grow together in both knowledge and character.

As always, please feel free to contact me with any questions you may have. I hope you all have a blessed week! 😊

💖 — Ms. Herron (Gaby)
