## A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

I am so looking forward to connecting with you all at Parent-Teacher Conferences this week! I am excited for the opportunity to discuss your child's progress so far, to celebrate their accomplishments, and to also collaborate all together on their future goals for the year.

The goal for these conferences is that students will attend alongside you, if possible, so they can be apart of those important conversations. It is essential that students have the opportunity to take ownership of their learning, and attending their conference alongside you helps foster that responsibility.

If you still have yet to do so, please make sure to reserve a time that works best for your family during our school's conference window of October 8<sup>th</sup> - 10<sup>th</sup>. Thank you to all the families that have already signed up!

As always, please feel free to contact me with any questions you may have. I hope you all have a blessed week! 😊

💖 — Ms. Herron (Gaby)
