A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

We've made it to November!

What a memorable end to October we had with our Mount St. Helens field trip! Even though the fog decided to hide the mountain, it was still such a fun experience and amazing opportunity to admire God's handiwork. Students did a wonderful job exploring the Visitor Center exhibits, asking thoughtful questions during the ranger talk, had a blast walking the boardwalk trail, and overall connecting what we've learned in our Volcano Science Unit to everything we saw while there.

A huge thank you again to our amazing parent volunteers—your help made everything run so smoothly and allowed students to get the most out of the experience!

As we move into this new month, our class will be diving into several new units of study. We will be continuing to build on the strong foundation we've worked hard to set this fall, I'm excited to see how we continue to grow!

As always, please feel free to contact me with any questions you may have. I hope you all have a blessed week! 😊

💖 — Ms. Herron (Gaby)
