Dear NCA Families,

At Northwest Christian Academy, our mission is to provide a Christ-centered environment with a superior education that prepares students to have a positive impact in our world for Him. One important way we live out this mission is by partnering with families to support each student's personal and educational growth.

This fall, we are inviting every family to sign up for a **parent-teacher conference**. These meetings are a valuable opportunity to collaborate, share insights, and work together toward the goals of your child's learning and development.

To reserve your conference time, please use the sign-up links provided below. Our goal is to meet with **every family** during this period.

We also encourage families to download and use the [FACTS app](#) ahead of time. This allows you to stay updated on your child's progress, so that our time together at conferences can focus on the most meaningful conversations and next steps.

Junior High: Wednesday and Thursday conferences are area style. The 4-Core teachers will be available during the full window of time. Please sign up with your homeroom teacher to RSVP your attendance. Otherwise, sign up for a regular Friday spot.

We are looking forward to connecting with each of you, learning more about your family, and continuing to build a strong partnership in Christ-centered education.
