Did you know?

- If you'd like more detailed updates on how your child is doing in class, please feel free to email the teacher, send a message through Bloomz, or speak in person after all students have been picked up. We truly appreciate your understanding, as drop-off and pick-up times are focused on ensuring a smooth and safe transition for the class.
- Please let us know ahead of time if someone new is picking up your child and make sure they are on your child's Pick-Up list.
