HAPPY NEW YEAR

Happy January NCA Families!

The start of a new calendar year brings a sense of fresh beginnings. Over the past months, our students and staff have built strong relationships, grown in trust, and settled into classroom rhythms that support deep learning. With these foundations in place, we are ready to establish habits and learning partnerships that will carry us confidently through the remainder of the school year.

As we enter the darker, wetter winter months, we are reminded that this season invites us to slow down, hunker in, and focus. At school, this means leaning into tight routines and healthy habits that support both learning and well-being. We encourage students and families to prioritize rest, regular exercise, and balanced nutrition, recognizing that caring for our bodies helps us show up ready to learn, serve, and love others well.

This time of year also marks another circuit around the sun, a reminder of God's faithful ordering of time itself. We praise the Lord for His wisdom in establishing seasons for growth, rest, work, and renewal.

"For everything there is a season, and a time for every matter under heaven." Ecclesiastes 3:1 (ESV)

As we look ahead, we do so with gratitude for what has been and hope for what is to come. We look forward to a strong finish to the school year as we continue learning together, growing together, and trusting the Lord in every season.

Sincerely,

NCS CAMPUS OPEN HOUSE
