A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

As we move forward into the second half of our sixth-grade year, I want to take a moment to reflect on the close of Semester 1 and look ahead to what's next. Reaching this midpoint is an important milestone, and it gives us a natural opportunity to refocus.

With half of sixth grade still ahead of us, expectations will continue to increase as we intentionally prepare students for junior high. This includes greater responsibility for behavior, work habits, and following directions the first time. These expectations are not meant to overwhelm students, but to help them build the independence, self-control, and accountability they will need for success in the years ahead.

Proverbs 3:1-2 is a passage students have already memorized this year: "My son, do not forget my teaching, but let your heart keep my commandments, for length of days and years of life and peace they will add to you." We remind students that true growth begins with the heart. When their hearts are right with God, and they are abiding in Him, obedience, responsibility, and wise choices naturally follow. Our prayer is that students continue learning not only what to do, but why they do it: seeking to honor the Lord in their daily choices at school and beyond. Here's to the rest of our school year! :)

ANNOUNCEMENTS

PACIFIC
SCIENCE
CENTER

field trip

THURSDAY — FEBRUARY 26, 2026

6th Grade will soon be heading to the Seattle Pacific Science Center & Planetarium on Thursday, February 26th! This exciting field trip will help wrap up our current science unit as students explore hands-on exhibits, engage in interactive science experiences, and enjoy a planetarium show that will help deepen their understanding of our Solar System.

Permission slips and volunteer sign-ups will be sent home in February. More details coming soon!

REPORT CARDS
& end of semester one

Friendly reminder that January 23rd is the end of Semester One—which also marks that we are halfway through the school year! Report Cards will be coming out after that.

Please keep an eye out!

LEARNING FOCUS

BIBLE

Winning the Race Unit 3: The Path (Lessons 8-14)

This is our final week of Unit 3 in Bible. We will complete Lesson 14 and review Proverbs 3:1-8, reflecting on how these verses help us trust the Lord, walk in wisdom, & honor Him with our choices.

Memory Verse | Proverbs 3:1-8 (review) • Test in February

ELA

• Narrative Writing Introduction: Part Three

Starting our own narratives and reviewing key narrative elements

• Literary Devices Unit & Realistic Fiction Book Clubs: Week Three

Characterization, Theme, Inferences, & Literary Conflict

(+ group discussion meetings)

MATH

• Reviewing mixed multiplication/division facts

• Saxon Lesson 56: Common Denominators (Part Two)

• Saxon Lesson 57: Adding & Subtracting Fractions: 3 Steps

• Saxon Lesson 58: Probability & Chance

• Saxon Lesson 59: Adding Mixed Numbers

SOCIAL STUDIES

BJU Ancient Civilizations | Unit 3: Ancient Egypt

Our new Ancient Egypt Unit will begin in February.

SCIENCE

BJU Science 6 | Unit 3 - Stars & the Solar System

Students will explore God's incredible design of the universe as they learn about the sun, moon, planets, stars, constellations, and other celestial objects. They will study how the solar system is organized, what makes each planet unique, and how stars differ in size, brightness, and distance from Earth.

SEATTLE PACIFIC SCIENCE CENTER & PLANETARIUM FIELD TRIP
WILL BE ON FEBRUARY 26, 2026. MORE INFO COMING SOON.
