A NOTE FROM THE TEACHER

Greetings, 4th Grade Families!

We made it to 2026! I hope you and your family had a restful, fun, and memorable Winter Break. As we step into the new year, I am thankful for the opportunity to continue this journey together and to encourage our students to grow not only academically... but also in responsibility, perseverance, and faith. It is such a blessing to partner with you as we seek to glorify Jesus in all that we do here in 6th grade.

Our current focus verse in class is Proverbs 3:5-6, which reminds us to trust in the Lord with all our hearts and to seek His guidance rather than relying only on our own understanding. We are encouraging students to reflect on what it looks like to trust God in their learning, friendships, choices, and challenges each day.

Thank you for your continued partnership and encouragement as we begin this new year. As always, please feel free to contact me with any questions you may have.

Here's to a wonderful 2026! 😊

— Ms. Herron (Gaby)
