## A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

Thank you so much for the continued partnership and support you provide at home. I especially appreciate the conversations many of you have had with your students regarding lockdown drill expectations. Your reinforcement truly matters.

Please continue reminding students of the importance of taking all safety procedures seriously and of respecting our shared learning space by listening carefully and following directions the first time. These habits help keep everyone safe and allow our classroom to remain a calm, focused place for learning.

As a quick academic reminder, Friday (January 23rd) marks the end of Semester 1 as well as the end of our current grading period. Report cards will be sent out to families in early February.

Thank you again for your ongoing encouragement, communication, and support. It is truly a blessing to partner with you as we guide our students to grow academically, socially, and spiritually here in 6th grade. ☺

— Ms. Herron (Gaby)
