FEBRUARY 2<sup>ND</sup> - 6<sup>TH</sup>, 2026

## A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

As we head into February, I'm excited for students to begin working on several larger projects. This includes a fun Book Club book report that gives students a creative way to share their learning as we wrap up our round of Realistic Fiction Book Clubs. We are also finalizing and editing our narrative writing, with students formatting a complete essay in MLA format for the very first time!

In science, students will soon begin an Expository Planet Research Project, with a strong emphasis on researching responsibly and citing sources correctly in their essay.

In math, reaching Saxon Lesson 60 marks an exciting milestone—we have officially filled an entire composition notebook of math notes! Please send your student to school with a new composition notebook, as we do not have any extras available in the classroom.

Thank you for your continued support—here's to a wonderful February!

♥ — Ms. Herron (Gaby)

## ANNOUNCEMENTS

PACIFIC  
SCIENCE  
CENTER

field trip

THURSDAY — FEBRUARY 26, 2026

6th Grade will soon be heading to the Seattle Pacific Science Center & Planetarium on Thursday, February 26th! This exciting field trip will help wrap up our current science unit as students explore hands-on exhibits, engage in interactive science experiences, and enjoy a planetarium show that will help deepen their understanding of our Solar System.

Permission slips and volunteer sign-ups will be sent home in February. More details coming soon!

REPORT CARDS  
& end of semester one

Friendly reminder that January 23rd was the end of Semester One—which also marks that we are halfway through the school year! Report Cards will be coming out in February.

Please keep an eye out!

no school  
4-DAY WEEKEND

## LEARNING FOCUS

### BIBLE

Winning the Race Unit 4: Weights & Distractions (Lessons 15-21)

Students are learning how weights and distractions can slow us down in our walk with the Lord. Through Scripture/discussion, they are discovering how to recognize distractions, make wise choices, & keep their hearts focused on God as they continue to run the race faithfully.

Memory Verse | Proverbs 3:1-8 (review) • Test 2/6/26

### ELA

• Narrative Writing Introduction: Part Four

Continuing to write our narratives while revising, editing, and preparing our final drafts in MLA Format.

• Literary Devices Unit & Realistic Fiction Book Clubs: Week Four

Last week of Book Clubs! Book Reports will be the week of Feb. 9th  
(+ group discussion meetings & assignments)

### MATH

• Reviewing mixed multiplication/division facts

• Saxon Lesson 60: Polygons

• Review days of Saxon Lessons 55-60 & Cumulative Test #11

• Saxon Lesson 61: Adding 3 or More Fractions

• Saxon Lesson 62: Writing Mixed Numbers as Improper Fractions

### SOCIAL STUDIES

BJU Ancient Civilizations | Unit 3: Ancient Egypt

Our new Ancient Egypt Unit will begin in February.

### SCIENCE

BJU Science 6 | Unit 3 - Stars & the Solar System

Students will explore God's incredible design of the universe as they learn about the sun, moon, planets, stars, constellations, and other celestial objects. They will study how the solar system is organized, what makes each planet unique, and how stars differ in size, brightness, and distance from Earth.

SEATTLE PACIFIC SCIENCE CENTER & PLANETARIUM FIELD TRIP  
WILL BE ON FEBRUARY 26, 2026. MORE INFO COMING SOON.
