FEBRUARY 23RD - 27TH, 2026

A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

NCA Spelling Bee:

Students were sent home with an official list of words provided by the school. We will be practicing these words in class to help everyone feel prepared and confident. Soon, we will hold an in-class Spelling Bee to determine our classroom finalist. Our finalist will then represent our class at the school-wide Spelling Bee on March 19th. We are looking forward to cheering on our students as they work hard and challenge themselves. Good luck, spellers!

Field Trip to the Pacific Science Center (2/26):

Next week, 6th Grade will visit the Pacific Science Center & Planetarium on Thursday, February 26th. Please send your student with a sack lunch and complete the permission slip if you have not already done so.

Headphones Reminder:

Please send your student with a set of wired headphones (per the school supply list) if you have not already done so. These will be kept in class for future learning activities. Thank you for your help!

♥ — Ms. Herron (Gaby)

ANNOUNCEMENTS

PACIFIC
SCIENCE
CENTER

field trip

THURSDAY — FEBRUARY 26, 2026

Next week, 6th Grade will be heading to the Seattle Pacific Science Center & Planetarium on Thursday, February 26th for our second field trip!

This exciting field trip will begin to help wrap up our current science unit as students explore hands-on exhibits, engage in interactive science experiences, and enjoy a planetarium show that will help deepen their understanding of our Solar System.

Please send your student with a sack lunch for the trip!

6TH grade news

FEBRUARY 23RD - 27TH, 2026

LEARNING FOCUS

BIBLE

Winning the Race Unit 4: Weights & Distractions (Lessons 15-21)
Students are learning how weights and distractions can slow us down in our walk with the Lord. Through Scripture/discussion, they are discovering how to recognize distractions, make wise choices, & keep their hearts focused on God as they continue to run the race faithfully.

Memory Verse | James 1:2-4 • Test moved to 2/25/26

ELA

- Research & Expository Writing Unit: Part One
This writing unit will connect to our current Science Unit.
- Literary Nonfiction Novel Study: *The Finest Hours*

MATH

- Reviewing mixed multiplication/division facts
 - Saxon Lesson 68: Dividing Mixed Numbers
 - Saxon Lesson 69: Lengths of Segments & Angles
 - Saxon Lesson 70: Reducing Fractions before Multiplying
- Review days of Saxon Lessons 60-70 & Cumulative Test #12/13

SOCIAL STUDIES

BJU Ancient Civilizations | Unit 3: Ancient Egypt
Our new Ancient Egypt Unit will begin soon.

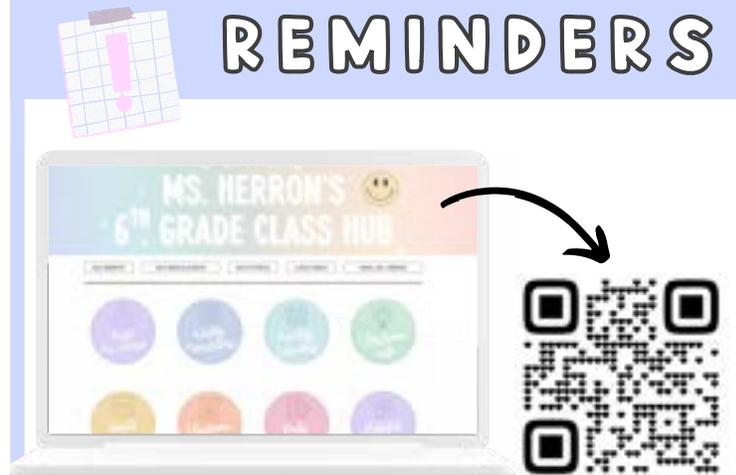

SCIENCE

BJU Science 6 | Unit 3 - Stars & the Solar System

Students will explore God's incredible design of the universe as they learn about the sun, moon, planets, stars, constellations, and other celestial objects. They will study how the solar system is organized, what makes each planet unique, and how stars differ in size, brightness, and distance from Earth.

SEATTLE PACIFIC SCIENCE CENTER &
PLANETARIUM FIELD TRIP WILL BE ON FEBRUARY 26, 2026.
