

Fourth Grade News

Week of June 1st-3rd

Dear Families,

What a GIFT it was to teach your student this year! I am so grateful to God for the opportunity to be their teacher, and to have been gifted this year to learn and laugh with them.

I wish you all an amazing summer! Play hard, enjoy sunshine, read more, and rest in God's love for you.

Gratefully,
Miss Kerstetter

Homework: Work on "Teach the Teacher" presentation due June 1st!

Teach the Teacher Presentation:

Students have the opportunity to "teach" the class/teacher a topic they are interested in. Students will present on June 1st.

Students will have time in class to work on their project, but preparation of presentation should be done at home.

Their topic can be displayed in many different ways: through speech, pictures, an essay, a small slideshow, or a mini poster, for example.

The presentation should take 5 minutes maximum to share.
