A NOTE FROM THE TEACHER

Greetings, 6th Grade Families!

As we head into our final full week together, we will be wrapping up both our novel study and our end-of-year projects. In addition, we'll spend time reviewing key skills and concepts from throughout the year, enjoying some fun activities together, and making some final memories as a class before 6th grade comes to a close.

As a reminder, final report cards will be released during the last week of school. Students have until Thursday, May 28th to turn in any missing or late assignments they would still like graded. After that, the gradebook will be finalized and no additional changes will be made. We want students to continue showing responsibility through the very end of the school year by checking for missing work, staying on top of assignments, and finishing strong!

As always, please feel free to reach out if you have any questions. Thank you so much for all of your support, encouragement, and partnership throughout this school year. It truly means so much and has helped make this year such a special one for our class.

♥ — Ms. Herron (Gaby)
